

# Seal Beach Yacht Club

**SATURDAY,  
MARCH 27, 2010  
SPRING FLINGLE  
MINGLE**

**Seal Beach Yacht Club is proud to bring you this rare opportunity to rename your vessel under the auspices and with the full blessing of Poseidon himself. At this year's Spring Flingle Mingle an emissary hand-selected and empowered by the Sea King will appear at 3:00 pm in full regalia to preside over a renaming ceremony of the utmost gravity, with full pomp and circumstance.**

**Everyone is welcome and invited to attend – members and guests alike!**

### **You Will Need:**

- ≈ **To remove or obliterate every trace of the old identity.**
- ≈ **To have installed the new name on your transom and/or nameplate(s), and have them covered with a tarp or towel(s).**
- ≈ **A metal tag (e.g. a pet ID) with the old name written or inscribed on it.**
- ≈ **Three (yes, three) reasonably good bottles of champagne to appease the gods of the sea and the four winds (consider it a bargain).**
- ≈ **Two champagne flutes – one for the captain and one for the mate.**
- ≈ **To call [Greg Buscher at \(949\) 887-2850](tel:9498872850) if you plan to rename your boat.**
